DESCRIPTION OF BUSINESS OPPORTUNITIES

The MICC Ft. Carson procures approximately \$150,000,000 in goods and services annually. These purchases include: construction projects, various types of commercial items with the exception of most NSN items, base operations support and other services needed to maintain the installation with the exception of those bought by non-appropriated funds (NAF). We do not procure advisory and assistance services. A listing of contracts can be obtained by contacting the POC above.

A list of current and future business opportunities are described below.

Please use this list a basis for determining if a one-on-one session (Grip-n-Grin) with the Ft. Carson small business specialist will be beneficial for your company.
